BRIEFING NOTES

2026 12 Financial update for MRST

- Finance is proceeding according to budget. A deficit is showing for the period from the 1st April to present because the majority of expenditure on the grounds occurs in the summer months.
- There are two bank accounts showing as MRST are moving from Lloyds to Nat West in order to avoid bank charges but it takes time for all parties to action the details of the move. As soon as the Lloyds account becomes fully redundant it will be closed.
- DCC has confirmed that because of its charitable status MRST will get 100% relief from business rates.

2026 13 Annual grant to MRST from MPC

The annual grant for 2026/7 from has been budgeted for but has yet to be paid. Discussion at the Finance Committee was on whether this could be spent directly by MPC on machinery purchase and/or major maintenance. On further consideration in order to avoid confusion it is recommended that it is paid direct to MRST as has been done in the past.

2026 14 Storage container for MPC maintenance at QE II

MPC Maintenance Committee have requested that MPC are allocated space for a storage container at the Rec. MRST need to agree to this request.
